Gartner's Critical Capabilities Report

This graphic was published by Gartner, Inc. as part of a larger research document and should be evaluated in the context of the entire document. The Gartner document is available upon request from Aruba, a Hewlett Packard Enterprise company. Gartner does not endorse any vendor, product or service depicted in its research publications, and does not advise technology users to select only those vendors with the highest ratings or other designation. Gartner research publications consist of the opinions of Gartner's research organization and should not be construed as statements of fact. Gartner disclaims all warranties, expressed or implied, with respect to this research, including any warranties or merchantability or fitness for a particular purpose.

Faster detection,
diagnosis, and resolution

Easy automation,
control, integration

Unmatched
network
assurance

Immediate
visibility into
what's happening

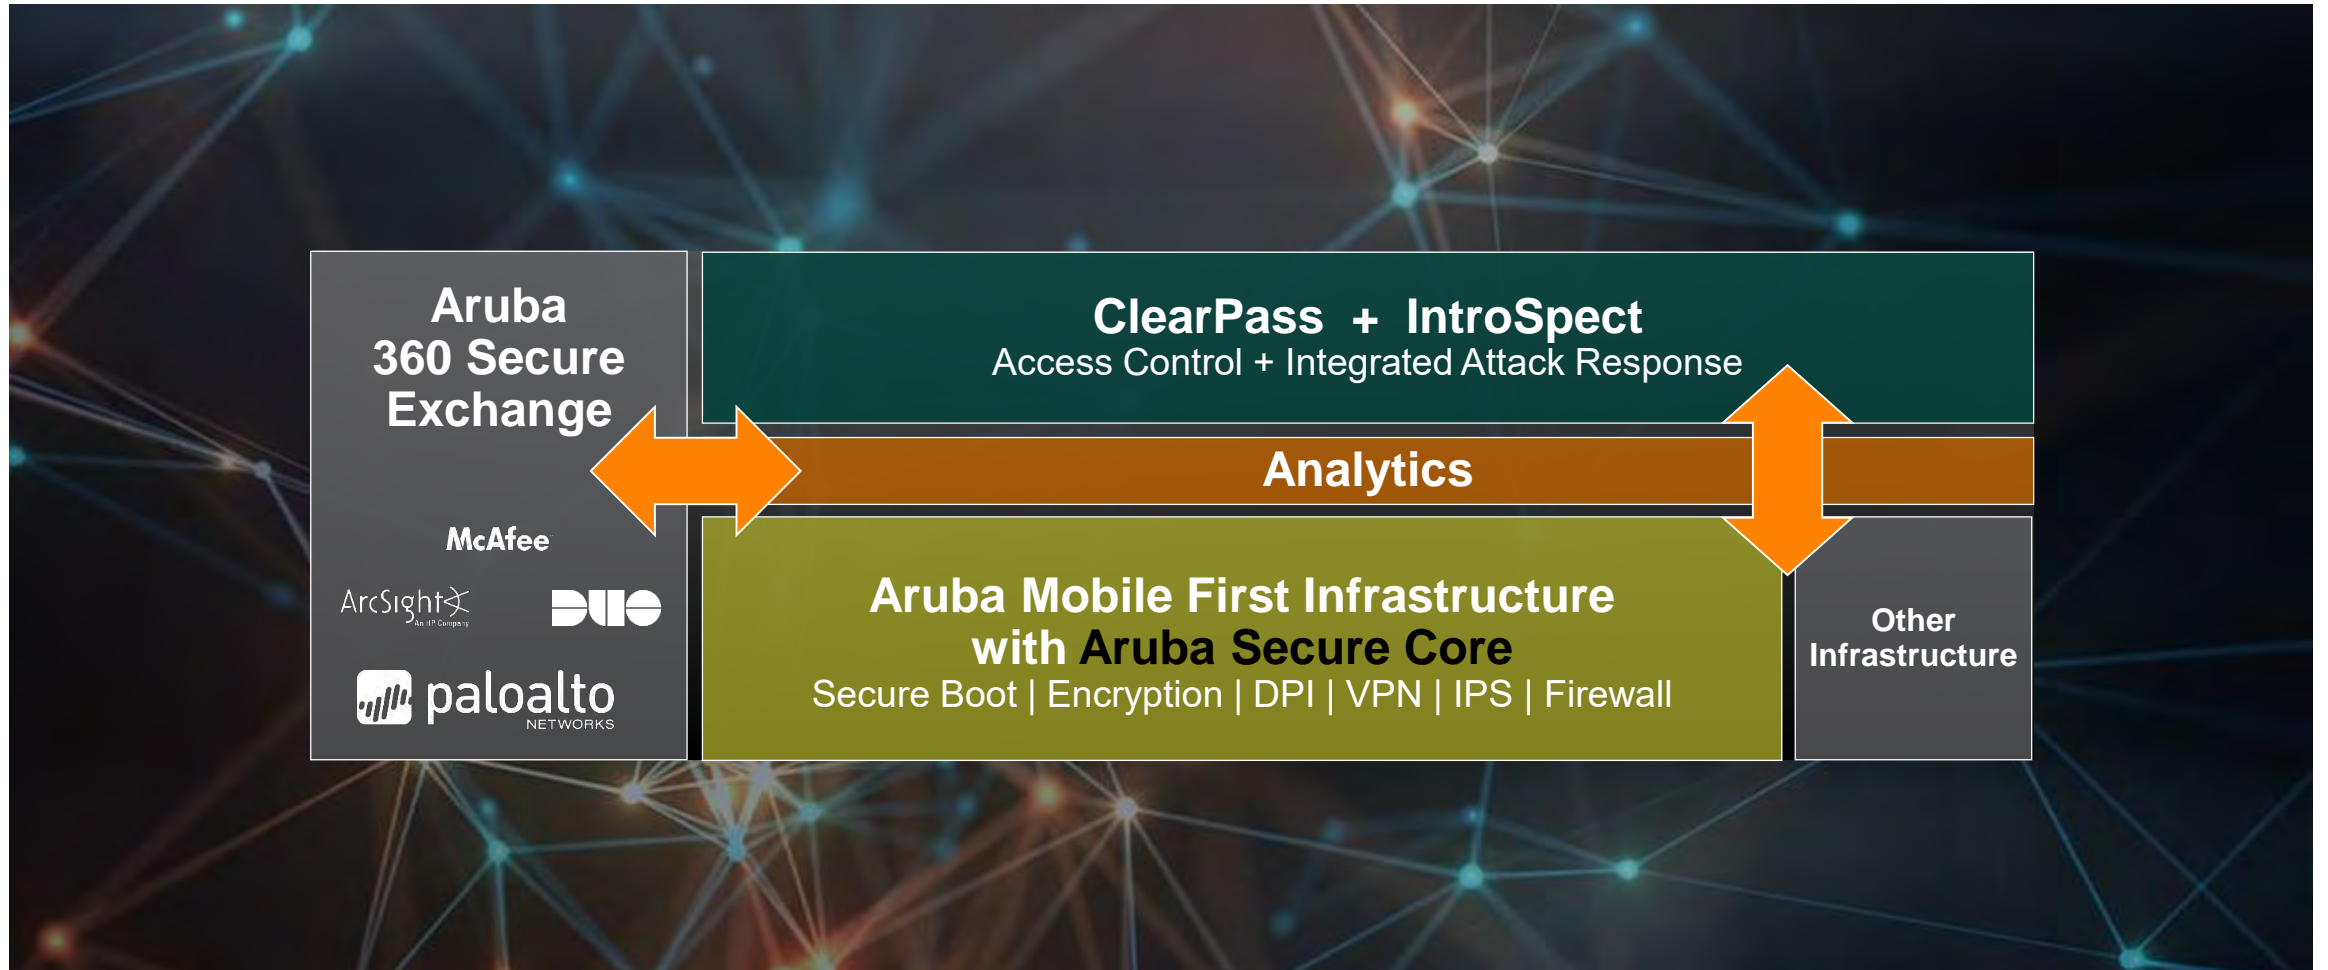

Rapidly Evolving Security Landscape

What is Aruba 360 Secure Fabric?

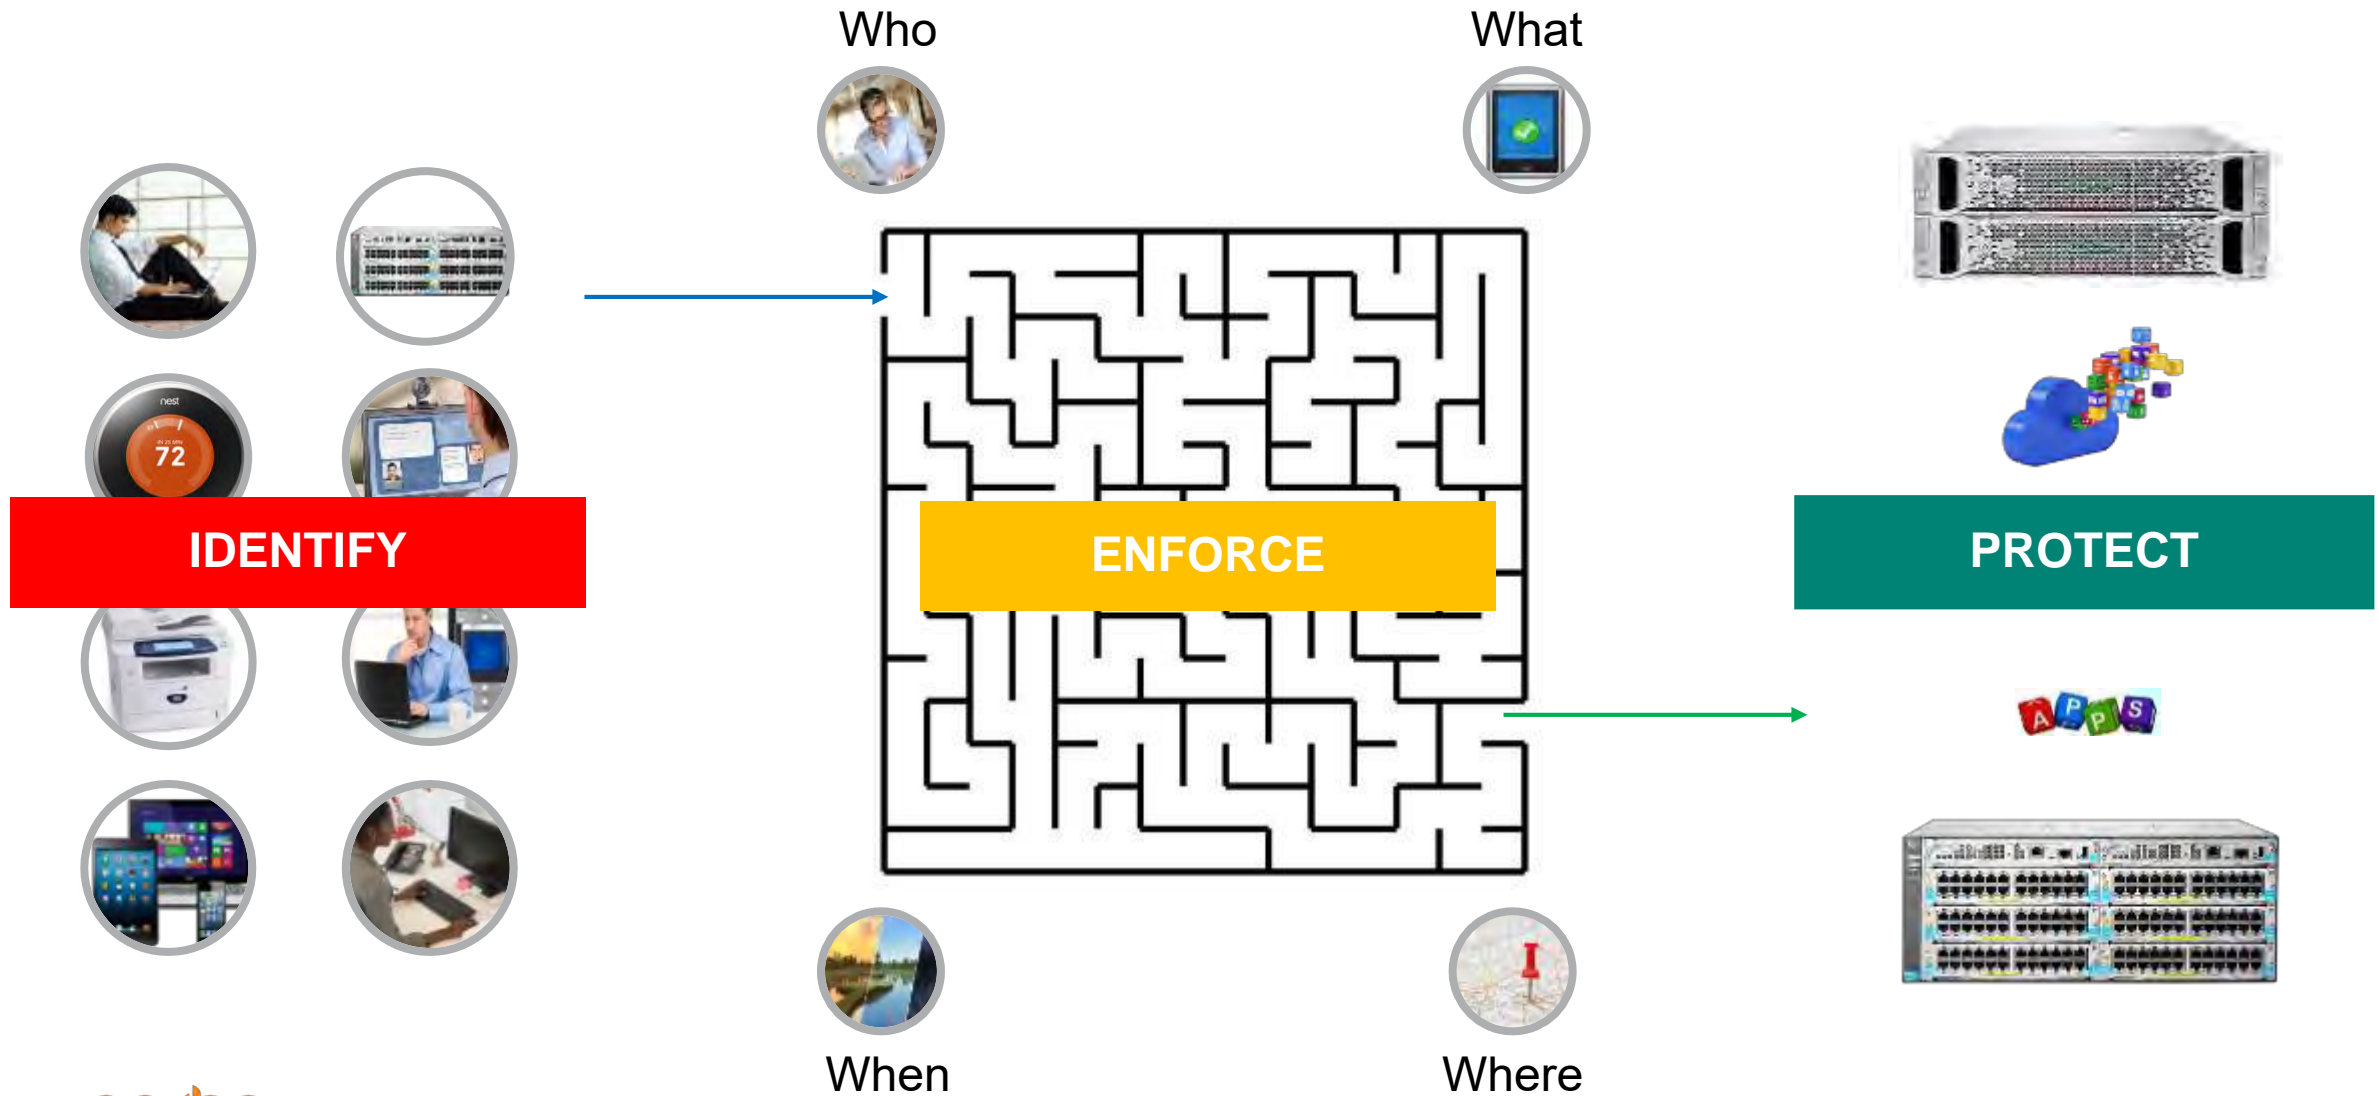

Analytics-Driven Active Cyber Protection

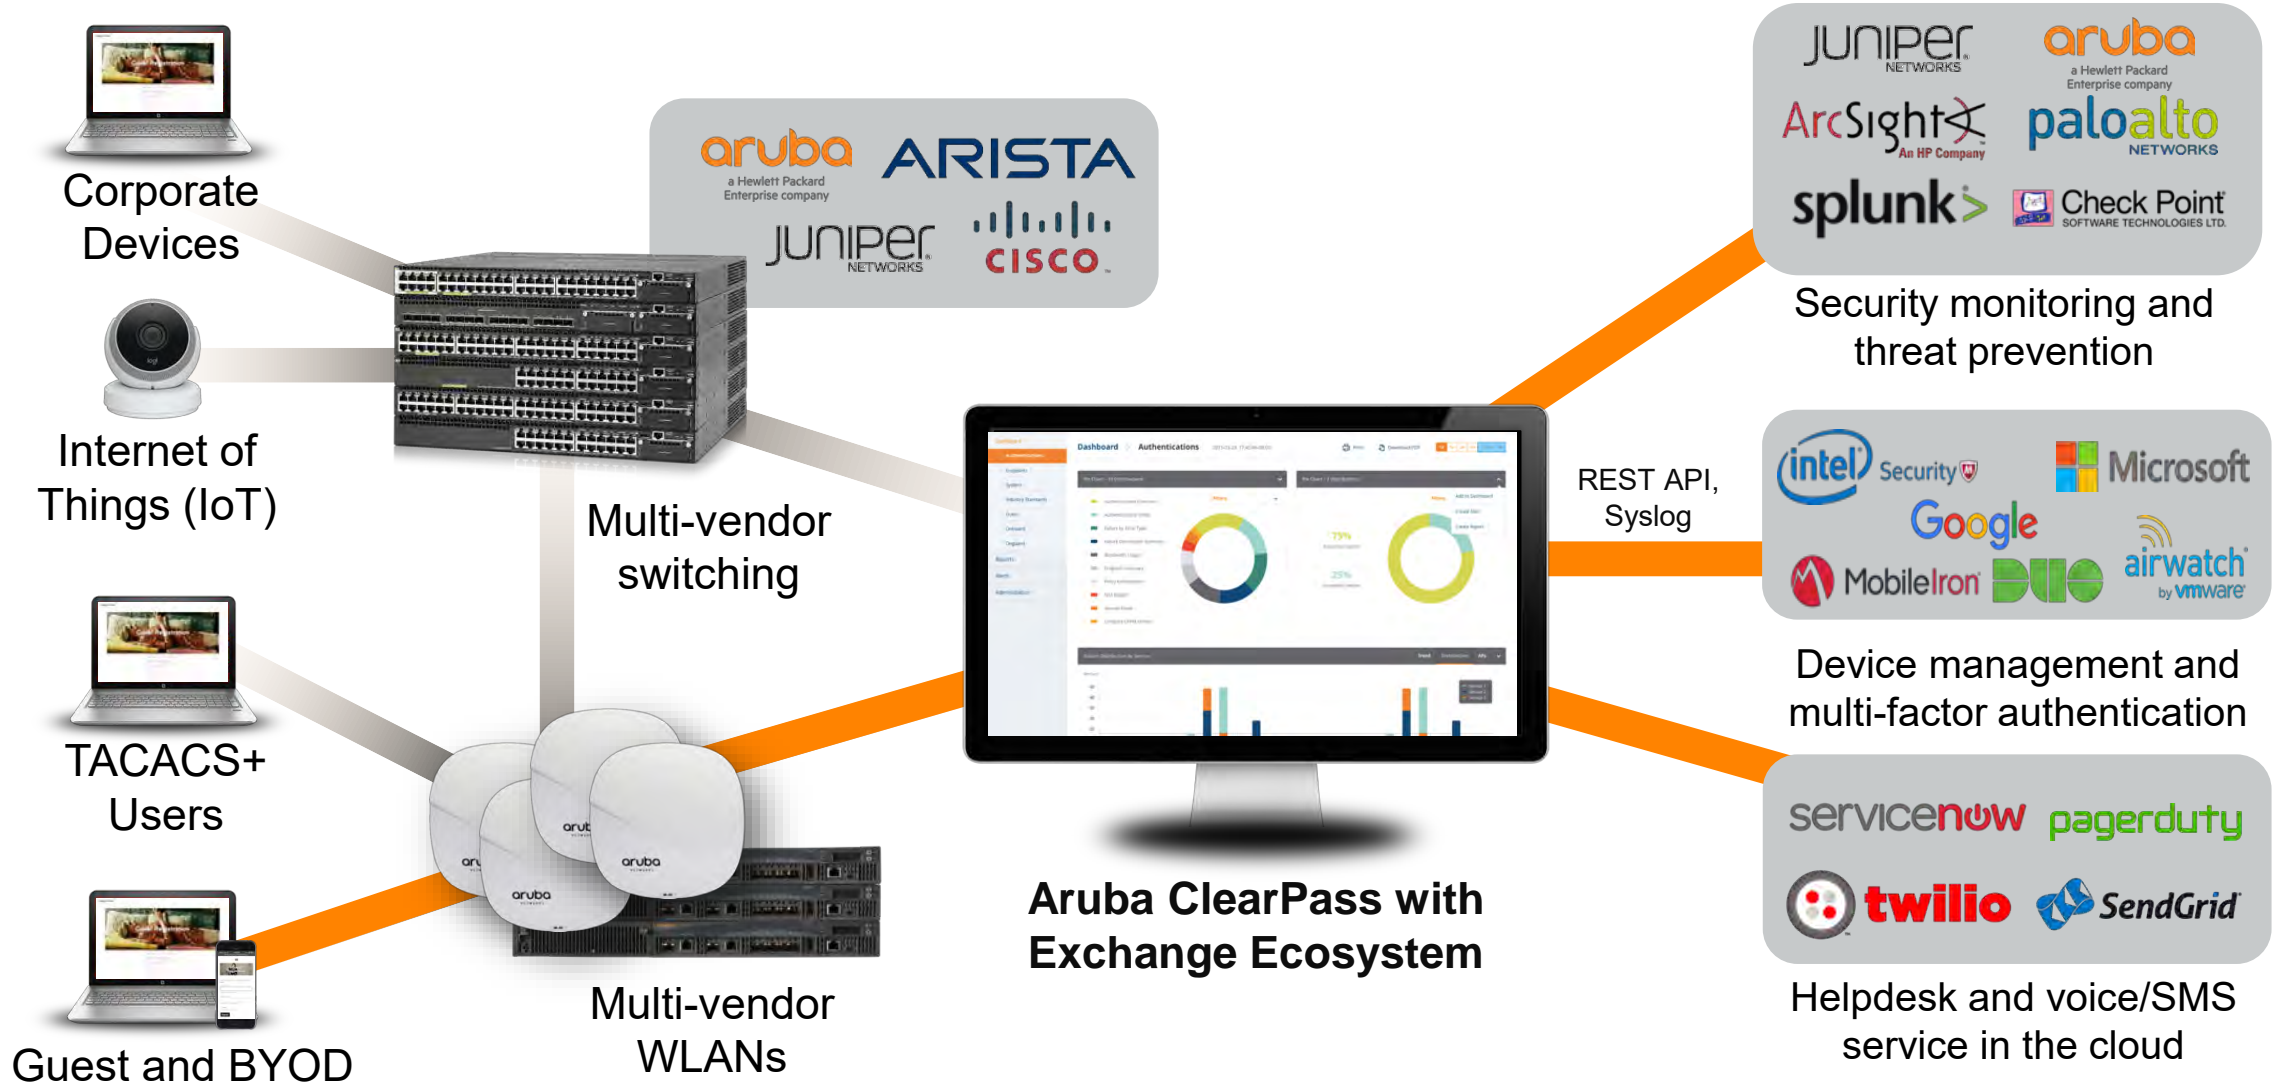

Rapidly Evolving Security Landscape

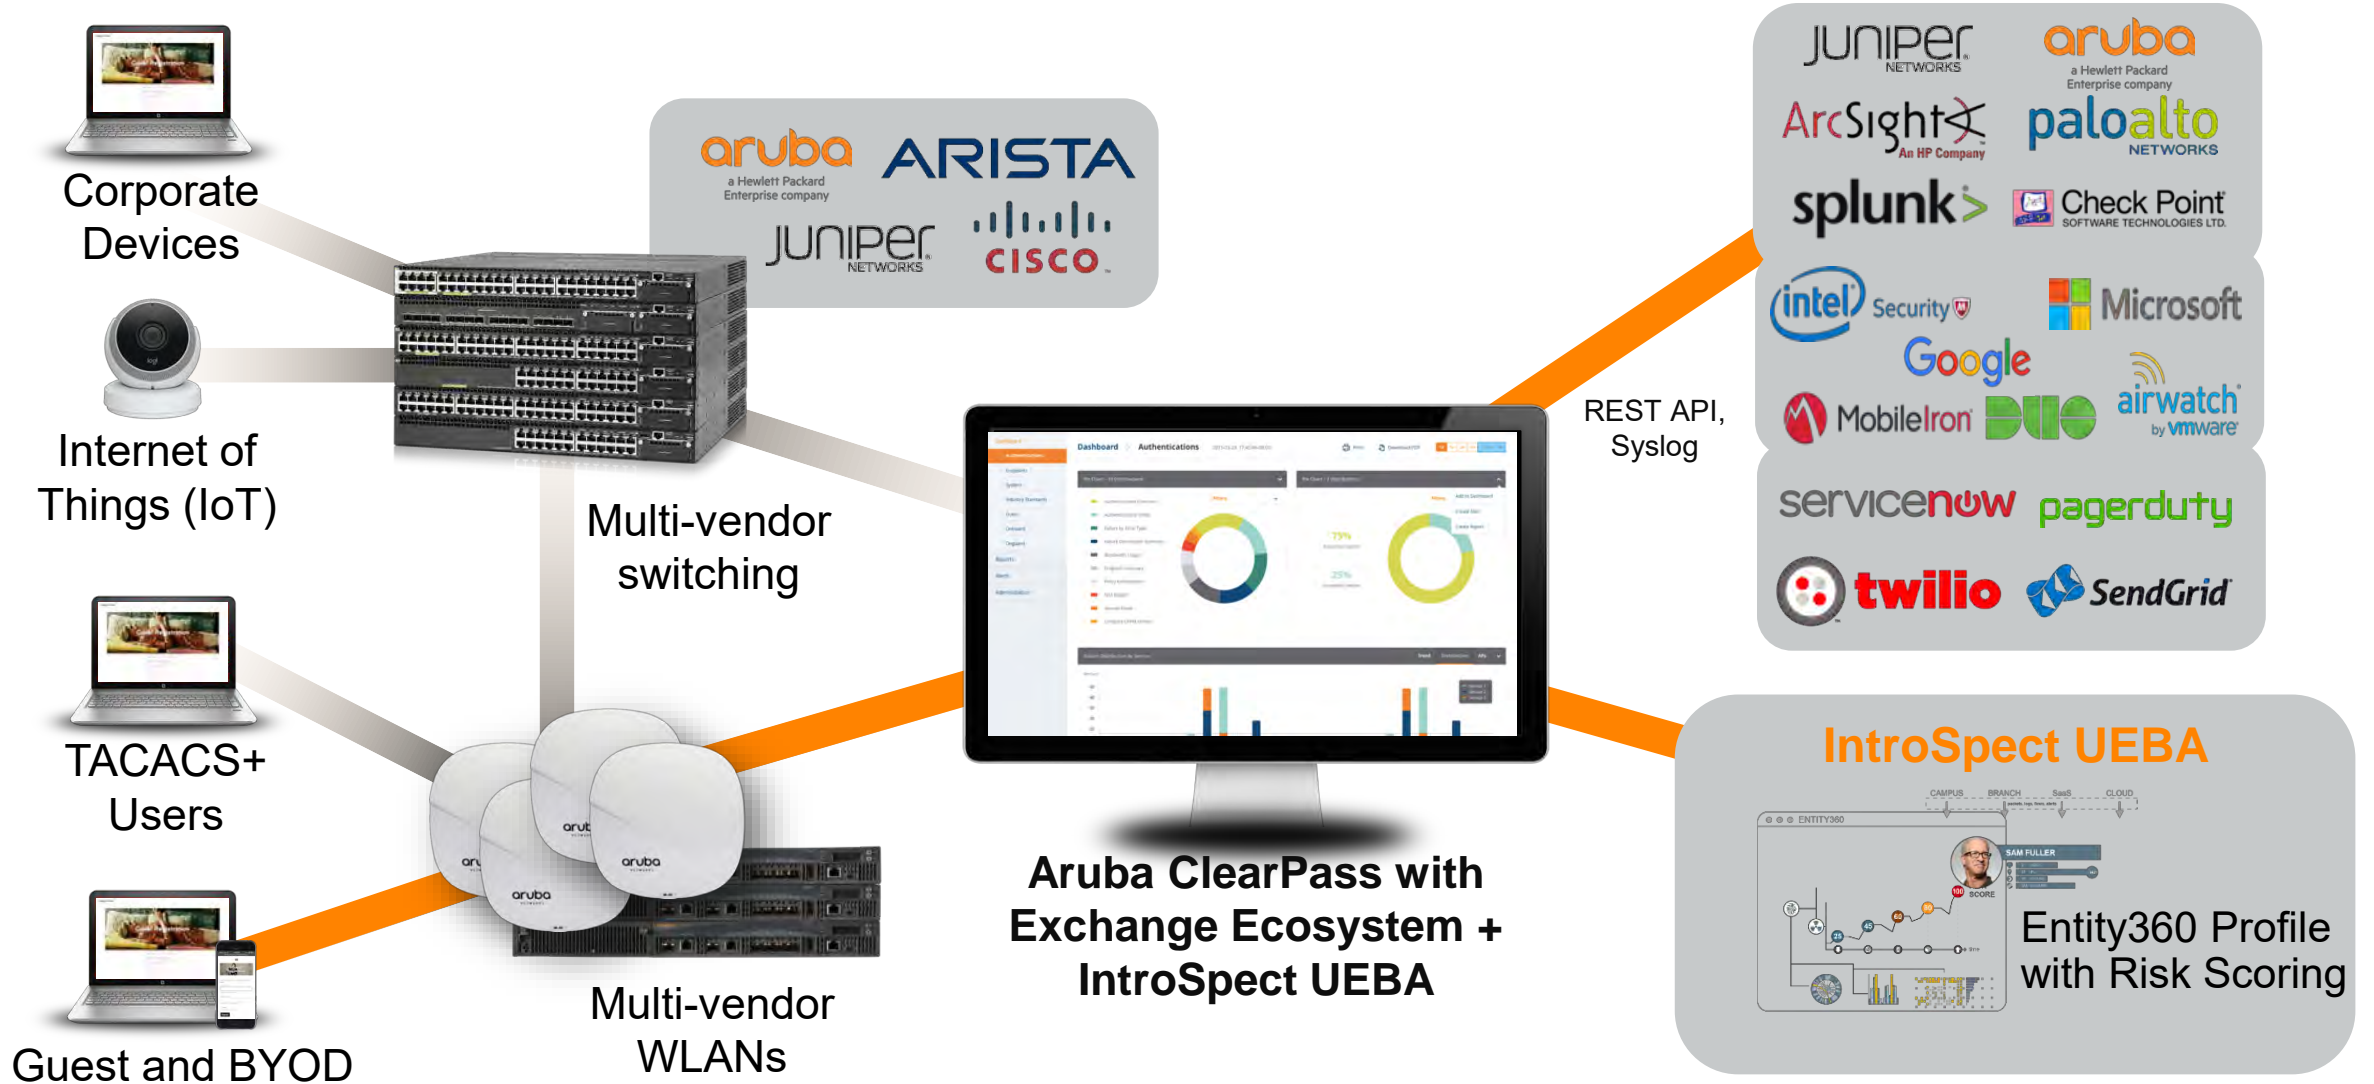

End to End Policy Management

Clearpass: End to End Controls

Clearpass + IntroSpect UEBA = Protection

A man and a woman in business attire are sitting at a desk, looking at a tablet together. The man is wearing glasses and a suit, and the woman is also wearing a suit. They are both smiling and appear to be in a collaborative work environment. A laptop and a glass of water are visible on the desk in the foreground.
